About the Author and Contributors

Sommario/riassunto

By exploring the cultural backgrounds of Asians in U.S. academia, Culture Shock for Asians in U.S. Academia realizes the goal of furthering understanding of the unique challenges they face, from the "teacher as guru" phenomenon, to the model minority myth. This book includes an analysis of issues from an intercultural communication perspective. Short research articles, as well as practical learning activities and modules appropriate for K - 16 and beyond are included in the text.
