Silverman -- Scorched parchments and tortured memories : the "Jewishness" of the Anussim (Crypto-Jews) / Moshe Lazar -- The Inquisition and the crypto-Jewish community in colonial New Spain and New Mexico / Stanley M. Hordes -- Recent historiography of the Spanish Inquisition (1977-1988) : balance and perspective / Jesús M. De Bujanda -- Historiography of the Mexican Inquisition : evolution of interpretations and methodologies / Richard E. Greenleaf.

Sommario/riassunto

More than just an expression of religious authority or an instrument of social control, the Inquisition was an arena where cultures met and clashed on both shores of the Atlantic. This pioneering volume examines how cultural identities were maintained despite oppression. Persecuted groups were able to survive the Inquisition by means of diverse strategies - whether Christianized Jews in Spain preserving their experiences in literature, or native American folk healers practicing medical care. These investigations of social resistance and cultural persistence will reinforce the cultural significance of the Inquisition--Publisher's description.
