Sommario/riassunto

Separated into seven categories for easy reference, the techniques within each chapter are applied to practice situations in a concise format for easy reference and use. The interventions illustrated include Storytelling, to enhance verbalizations in children; Expressive Art, to promote children's coping ability by using various art mediums; Game Play, to help children express themselves in a playful environment; Puppet Play, to facilitate the expression of conflicting emotions; Play Toys and Objects, to demonstrate the therapeutic use of various toys and objects in the playroom; Group Play, t
