Nota di contenuto	Cover; Contents; List of Figures; Acknowledgments; Introduction: The Black Labyrinth, Aesthetics, and Black Religion; Part 1 North and South America; Part 2 The Caribbean; Part 3 Europe; Part 4 Africa; Selected Bibliography; Index
Sommario/riassunto	A great deal of attention has been given to the sociopolitical and theological importance of Black Religion. However, of less academic concern up to this point is the aesthetic qualities that define much of

what is said and done within the context of Black Religion. Recognizing the centrality of the black body for black religious thought and life, this book proposes a conversation concerning various dimensions of the aesthetic considerations and qualities of Black Religion as found in various parts of the world, including the the Americas, the Caribbean, Africa, and Europe. In this respect, Black Religion is simply meant to connote the religious orientations and arrangements of people of African descent across the globe.

Sommario/riassunto	Gender equality and the responsibility of husbands and fathers: issues

that loom large today had currency in Renaissance Venice as well, as evidenced by the publication in 1600 of *The Worth of Women* by Moderata Fonte. Moderata Fonte was the pseudonym of Modesta Pozzo (1555-92), a Venetian woman who was something of an anomaly. Neither cloistered in a convent nor as liberated from prevailing codes of decorum as a courtesan might be, Pozzo was a respectable, married mother who produced literature in genres that were commonly considered "masculine"-the chivalric romance and the literary dialogue. This work takes the form of the latter, with Fonte creating a conversation among seven Venetian noblewomen. The dialogue explores nearly every aspect of women's experience in both theoretical and practical terms. These women, who differ in age and experience, take as their broad theme men's curious hostility toward women and possible cures for it. Through this witty and ambitious work, Fonte seeks to elevate women's status to that of men, arguing that women have the same innate abilities as men and, when similarly educated, prove their equals. Through this dialogue, Fonte provides a picture of the private and public lives of Renaissance women, ruminating on their roles in the home, in society, and in the arts. A fine example of Renaissance vernacular literature, this book is also a testament to the enduring issues that women face, including the attempt to reconcile femininity with ambition.

3. Record Nr.	UNIORUON00380892
Autore	Radner, Karen
Titolo	Ein neuassyrisches Privatarchiv der Tempelgoldschmiede von Assur / Karen Radner
Pubbl/distr/stampa	Saarbrücken, : Saarbrücker Druckerei und Verlag, 1999
