| Titolo                  | The declaration and votes of the Lords and Commons assembled in Parliament. Concerning the late treaty of peace in York-shire [[electronic resource] ] : Wherein they renounce the said agreement, as being very prejudiciall and dangerous to the whole kingdome, that any one county should stand as neuters, and withdraw themselves from the assistance of the rest. // Die Martis, Octob. 4. 1642. Ordered by the Lords and Commons in Parliament, that this declaration and votes be forthwith printed and published. Iohn Browne, cler. Parliam ; Also a true copy of the instructions, agreed upon by the Lords and Commons assembled in Parliament, and sent to His Excellency the Earle of Essex, Lord Generall of the Army. Likewise his Majesties speech at Shrewesbury, on Michaelmas Eve last, to the gentry and commons of the county of Salop, there assembled |
| Pubbl/distr/stampa      | [London], : October 6. London printed for Iohn Wright, 1642                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
