Sommario/riassunto

Alexandra Peyton is a high school senior with a thousand-year-old admirer with raven hair, brooding azure eyes, and a ten-foot wing span. As if that isn't complicated enough, Alexandra is now in possession of her dead uncle's journal in which he raves about meeting the devil during his service in Europe during the final days of World War II. A voodoo priestess is convinced that the journal will help her conjure up the devil, so she has sent a vicious wolf man to get the journal back at all costs. Life-threatening danger and falling in love with a time-walker are thrown into the already confusing life of a high school senior, putting Alexandra on the edge of precipice from which she might not return.
