Titolo

A true narration of the most observable passages, in and at the late seige of Plymouth, from the fifteenth day of September 1643, untill the twenty fift [sic] of December following [[electronic resource]] : Attested from thence under the hands of the most credible persons: wherein is manifested to the world the handy-work of God, and his gracious assistance to the united forces of that towne and garrison. Together with an exact map and description of the town and fortifications thereof; with the approaches of the enemies. As also the summons of the cavaliers to the major and governour of the said towne. And Prince Maurice his warrant to the countrey since the raising of the seige. Imprimatur Iohn White
