

1. Record Nr.	UNIPARTHENOE000019292
Autore	International astronomical Union
Titolo	Developments in astrometry and their impact on astrophysics and geodynamics : peoceedings of the 156. Symposium of the International Astronomical Union held in Shangai, China, September 15-19 1992 / edited by Ivan I. Mueller and Barbara Kolaczek
Pubbl/distr/stampa	Dordrechtc : Kluwer Academic Publishers, 1993
Titolo uniforme	Developments in astrometry and their impact on astrophysics and geodynamics
Descrizione fisica	XXXI, 440 p. : ill. ; 24 cm
Collana	IAU symposium
Disciplina	526.6 551
Collocazione	G 523.01/1
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
