Sommario/riassunto	EU Federalism and Constitutionalism: The Legacy of Altiero Spinelli is the first book-length study devoted not only to how Spinelli's advocacy for a federal Europe shaped European integration but also how Spinelli's ideas are essential to understanding the EU constitutional system today. The volume integrates perspectives from law, history, and political science to offer a comprehensive and up-to-date analysis

of the history, evolution, and future of federal principles and institutions in the European integration process.
