Another Inter-Religious Transaction CHAPTER NINE - Revelation; Bibliography; Index; Back cover
Sommario/riassunto	How can African theology survive the self-repetition of mere cultural apologia or contextualization-stereotypes, and mature into a critical theoretical discipline responding to the challenges of the postmodern world-order? Dr. Humphrey M. Wawe contributes here a sound theological reflection using the hitherto unused methodological paradigm of mapping the inroads in the itransactioni between the Bible and African culture.
