Sommario/riassunto	China has emerged in the 21st century as a sophisticated, and sometimes contentious, actor in the United Nations Security Council. This is evident in a range of issues, from negotiations on Iran's nuclear program to efforts to bring peace to Darfur. Yet China's role as a veto-holding member of the Council has been left unexamined. How does it formulate its positions? What interests does it seek to protect? How can the international community encourage China to be a contributor, and not a spoiler? This book is the first to address China's role and influence in the Se
