Sommario/riassunto

This eBook provides critical information for mental health providers, including counselors, psychologists, and social workers, who are interested in providing services for children with chronic illnesses. The contents of the eBook focus on enhancing resilience in children with chronic illnesses or medical conditions and their families as they strive to adjust as the child copes with the waxing and waning symptoms of his or her illness. Practical suggestions for working with children and families are also provided along with a thorough review of relevant literature. Readers of this eBook will g
