| Sommario/riassunto | Youth Studies: an introduction is a clear, jargon-free and accessible textbook which will be invaluable in helping to explain concepts, theories and trends within youth studies. The concise summaries of key texts and the ideas of important theorists make the book an invaluable resource. The book also raises questions for discussion, with international case studies and up-to-date examples. The book discusses important issues within youth studies, for example: education and opportunity employment and unemployment family, friends and living arrangement |
