Note generali	Description based upon print version of record.
Sommario/riassunto	""I taught undergraduates for forty-five years (the last thirty at the University of the South in Sewanee, Tennessee), and for most of those years I spent as much time as possible outside. I hunted as much as I could, and I fished some. I also spent time in the woods of Tennessee, Alabama, and Mississippi just walking around looking at things that caught my eye and trying to understand. Outdoor life and academic life for me have been intimately connected, and this collection of essays explores that connection. The essays in Wedding the Wild Particular make plain the sheer delight
