Sommario/riassunto	Extensively updated and expanded to incorporate legislative and practical changes enacted since the publication of the previous edition, Law for the Expert Witness, Fourth Edition is designed for professionals and students requiring edification on the current processes and techniques of legal procedure. Drawn from revised versions of the readings assigned to graduate and continuing education courses taught by the author, as well as his own professional experience, the text is divided into four sections. Beginning with procedural issues that an expert witness wi
