Sommario/riassunto

Focus on Single-Parent Families: Past, Present, and Future brings together in one volume a range of cutting-edge research articles and essays on what has become the most dynamic change in family structure in U.S. history. It is the only resource to make the most insightful and important work being done on the single-parent family phenomena accessible to general readers.||Focus on Single-Parent Families helps readers go beyond the stereotypes and look closely at the complexity of families with one parent and consider their place in society. It encompasses the wide variety of households with a s
