Sommario/riassunto

African American Lives offers up-to-date, authoritative biographies of some 600 noteworthy African Americans. These 1,000-3,000 word biographies, selected from over five thousand entries in the forthcoming eight-volume African American National Biography, illuminate African-American history through the immediacy of individual experience. From Esteban, the earliest known African to set foot in North America in 1528, right up to the continuing careers of Venus and Serena Williams, these stories of the renowned and the near forgotten give us a new view of American history. Our past is revealed fr
