| Sommario/riassunto      | Steven M. Cahn's advice on the professorial life covers an extensive range of critical issues: how to plan, complete, and defend a dissertation; how to navigate a job interview; how to improve teaching performance; how to prepare and publish research; how to develop a professional network; and how to garner support for tenure. He deals with such hurdles as a difficult dissertation advisor, problematic colleagues, and the pressures of the tenure clock. Whether you are beginning graduate study, hoping to secure an academic position, or striving to build a professorial career, Cahn's insi |
