Note generali	Vols. for <1980-> published by: Verlag Vandenhoeck & Ruprecht. Vols. for -2002 published jointly by: Vandenhoeck & Ruprecht. Vols. for 2003- published: München : Max-Planck-Gesellschaft : K.G. Saur. Vols. for 1999- accompanied by CD-ROM. Jahrbuch 1999-2002 accompanied by supplemental CD-ROM titled Publikationen 1998-1998/2001; CD-ROM contains bibliographies of literature published by the Society for each year 1998-2001. Discs for 1998/2000-1998/2001 are also called Jahrbuch 2001-2002 (as a reference only to the Jahrbuch it supplements; i.e., these discs do not also include the Jahrbuch contents for those years). With Jahrbuch 2003, contents of the print vol. is reduced to the President's address, proceedings of the annual meeting, new member biographies, and member obituaries; reports on the activities of the various Institutes are issued only on the accompanying CD-ROM. CD-ROM contents expanded to include the Tätigkeitsberichte, Zahlen, Fakten (all formerly included in the print) in addition to the Publikationen 2002--(formerly issued as a separate publication). Refereed/Peer-reviewed
