Sommario/riassunto	This book sets out to celebrate physical education and sport, and by doing so, encourage the educational establishment to embrace the subject area as a vehicle for the complete development of the individual. In addition, it shows that the benefits of physical activity far outweigh the shallow claims of populous magazines - there are benefits for the individual, the community and for society as a whole. Laker contends that the importance of physical education and sport in many areas of social life has been overlooked at best, and misused at

worst. Physical activity has a vast contribution to
