Nota di contenuto	Is there a museum in the house? -- Heroes' houses: the home of the nation personified -- Heroes' houses: literary and other identities -- Artwork houses and national aesthetics -- Collectors' houses: egos and afterlives -- Social history house museums -- Authenticity: material reality, negotiated understanding -- The English country house -- The significance, insignificance and future of house museums.
Sommario/riassunto	"This book addresses the phenomenon of historic houses as a distinct species of museum. By analyzing the motivation of the founders, and subsequent keepers, of house museums, the author identifies a typology that casts light on what they were intended to represent and their significance (or lack thereof) today."--Provided by publisher.
