Sommario/riassunto

A moving story of love, family, and survival against all odds from beloved entrepreneur and reality TV star Bill Rancic. Set amid the deep, wild woods of the Yukon, *First Light* tells the story of Daniel Albrecht and Kerry Egan, a young couple just beginning their life together: in love, engaged, and, as Kerry soon discovers, expecting their first child. While they are flying home from a work trip in Alaska to plan their wedding in Chicago, both engines of their plane catch fire and send the plane careening into a mountainside in the middle of a terrible snowstorm. Kerry is seriously injured in the accident, and Daniel-the one person among the passengers with some survival experience-makes the courageous decision to search for help, hoping against hope that he can return to save his fellow travelers, especially the woman he loves. Thus begins a harrowing and suspenseful race against time and the elements, as it becomes clear that not everyone will make it out alive. As the couple's story draws to a close, the surprising truth about the boy's life, and that of his parents' marriage, will at last be divulged. A romantic and heart-wrenching debut from Bill Rancic, *First Light* is about surviving the most insurmountable obstacles-and finding renewal and love just when it seems that all is lost.
