Sommario/riassunto	As a young priest, Luigi Giussani was troubled by Catholicism's inability to effectively deal with secularism or laicism. In 1954 he began to develop a vision of faith rooted in experience. His ideas resonated with students and led to the birth of the Gioventù Studentesca (Student Youth) movement. Known today as Communion and Liberation, the movement is flourishing in Italy and around the world, including Canada, the United States, Brazil, Uganda, and Britain. The Journey to Truth Is an Experience is the first English translation of Il Cammino al

vero è un'esperienza, Giussani's early works on the Christian experience, written from 1959-64. It begins with a guide on how to live the Christian life within the Student Youth community, followed by a call to base one's relationship with Christ on the example set by the apostles and other figures in the New Testament. Giussani concludes by outlining the movement's mission and the possibility for community, charity, and communion in the Christian life.

Sommario/riassunto

Deng Xiaoping joined the Chinese Communist movement as a youth and rose in its ranks to become an important lieutenant of Mao's from the 1930s onward. Two years after Mao's death in 1976, Deng became the de facto leader of the Chinese Communist Party and the prime architect of China's post-Mao reforms. Abandoning the Maoist socio-economic policies he had long fervently supported, he set in motion changes that would dramatically transform China's economy, society, and position in the world. Three decades later, we are living with the results. China has become the second largest economy and the
