Sommario/riassunto

An inspiring business book that shows leaders and businesspeople how to turn adversity into innovation, productivity, and profitability. When he was just twenty-six years old, Sam Cawthorn's life changed forever. A terrible car accident cost him his arm, left him in a coma, and put him in a wheelchair for the rest of his life—or so he thought. Today, Sam is one of the most successful motivational and inspirational speakers around, addressing some 100,000 people around the world each year, from some of the world's biggest companies. Sam's recovery was more than just a bounce back to whe
