| Sommario/riassunto | <p>The European Social Fund, a profoundly human story. Brigitte, James, Nauras, Ebrahim, Anna, Jolanta and Carlos... seven Europeans who are representative of the European Social Fund today, seven very different paths with one thing in common. At some point in their lives they have all benefitted from the support of the European Social Fund (ESF) in achieving their professional objectives. By reading their stories and watching their testimonies on the ESF website you will see that the nature, scope and aims of the projects supported by the ESF are extremely varied and that these projects target people from all walks of life: young or elderly job-seekers, students, aspiring entrepreneurs... More than ten million people benefit from this support each year... Why not you? To find out more, visit the ESF site: http://ec.europa.eu/esf. The ESF invests in people. It is people who are undoubtedly Europe's richest attribute. [Ed.]</p> |
