Sommario/riassunto	Focus on Alternative and Complementary Therapies (FACT) is a review journal aiming to present the evidence on complementary and alternative medicine (CAM) in an analytical and impartial manner. The journal contains summaries and commentaries on key CAM areas, articles that review the evidence for and against CAM in a particular therapeutic area, interviews, editorials, news and book reviews. Tables of contents are available from 1996. Full-text is available to subscribers. A sample copy is available. FACT is edited by staff of the Complementary Medicine unit at the Peninsula Medical School in Exeter, and is published by the Royal Pharmaceutical Society's Pharmaceutical Press.
