Sommario/riassunto	Published to widespread acclaim between 1980 and 1996, the monumental four- volume Analytical Commentary on the Philosophical Investigations has become the definitive reference work on Wittgenstein's masterpiece. This revised edition of Volume I, Wittgenstein: Understanding and Meaning, which itself comprises two

parts ('Essays' and 'Exegesis ??1-184'), takes into account much material that was unavailable when the first edition was written. Following G.P. Baker's death in 2002, P.M.S. Hacker has thoroughly revised both parts, rewriting many sections completely and often proposing fresh interp
