Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	part I. Greek beginnings : writing and letter writing, evidence and representations -- part II. Letter writing and the polis.
Sommario/riassunto	Ceccarelli offers a history of the development of letter writing in ancient Greece from the archaic to the early Hellenistic period. Highlighting the specificity of letter-writing, the volume looks at documentary letters and traces the role of embedded letters in the texts of the ancient historians, in drama, and in the speeches of the orators.
