Micheo and Enrique Amy -- Cardiovascular considerations in basketball / Andrew L. Pipe -- Medical illness / Margot Putukian -- Spine and pelvis / Jill Cook and Karim Khan -- Basketball injuries: upper extremity considerations / William F. Micheo and Eduardo Amy -- Lower extremity considerations / Karim Khan.
Sommario/riassunto	Basketball covers the epidemiology of basketball injury, the physiological demands of basketball, preventive medicine, pre-participation examination and special considerations to be given to the young basketball player, and finally looks at the 'special' basketball

player -- diabetics, asthmatics, epileptics, etc.
