Disciplina	808
Soggetti	Literary Studies Literary style
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Find Out What Scott Really Wrote</p> <p>Going back to the original manuscripts, a team of scholars has uncovered what Scott originally wrote and intended his public to read before errors, misreadings and expurgations crept in during production. The Edinburgh Edition offers you:</p> <ul style="list-style-type: none"> A clean, corrected text Textual histories Explanatory notes Verbal changes from the first-edition text Full glossaries <p>Title Description</p> <p>Scott wrote short stories throughout his career, some included within novels, others published separately in periodicals. This collection of the stories from periodicals extends from his earliest published fiction to his last and comprises pieces from The Edinburgh Annual Register (1811), The Sale-Room (1817), Blackwood's Edinburgh Magazine (1817-1818) and The Keepsake (1828-1831). Only three of these stories have been regularly reprinted; the other five are here made readily available for the first time. Publication in periodicals offered Scott new opportunities to explore the potential of the short story form and to demonstrate his enormous versatility as a writer of fiction.</p>
