Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	TABLE OF CONTENTS; INTRODUCTION; CHAPTER ONE; CHAPTER TWO; CHAPTER THREE; CHAPTER FOUR; CHAPTER FIVE; CHAPTER SIX; CHAPTER SEVEN; CHAPTER EIGHT; CHAPTER NINE; CHAPTER TEN; CONTRIBUTORS
Sommario/riassunto	This volume hopes to act as a catalyst for some new and exciting areas of enquiry in the more "liminal" interstices of Irish Studies. Traveler Studies, Romani Studies and Diaspora and Migration Studies. These disciplines are all relatively new areas of enquiry in modern Ireland, a country whose society has witnessed very rapid and wide-ranging cultural and demographic change within the short space of a decade. The issue of multiculturalism is not one which is particularly new to Irish soci...

Nota di contenuto	A brief survey of Islam -- Clash of modernists and traditionalists -- Challenges of the twentieth century -- Islamism : liberation politics -- Quests for democracy and modernity -- Need for mutual knowledge and understanding.
Sommario/riassunto	After World War II, leading western powers focused their attention on fighting the "Red Menace," Communism. Today, as terrorist activity is increasingly linked to militant Islamism, some politicians and scholars fear a "Green Menace," a Pan-Islamic totalitarian movement fueled by monolithic religious ideology. Such fears have no foundation in history, according to Vartan Gregorian. In this succinct, powerful survey of Islam, Gregorian focuses on Muslim diversity and division, portraying the faith and its people as a mosaic, not a monolith. The book begins with an accessible overview of Isla

Sommario/riassunto	Depuis sa fondation en mars 1957, l'un des principaux mandats de la Federation du travail de l'Ontario (FTO) consiste a aider les travailleurs ontariens a se presenter, s'organiser et se proteger, que ce soit au travail, au sein des syndicats ou dans la societe. La FTO lutte depuis longtemps pour les droits des travailleurs. Pourtant, ceux-ci continuent

de se battre pour la justice dans les domaines des relations du travail, de la sante et de la securite, de l'equite en matiere d'emploi et de salaire et de la discrimination en raison du sexe, de l'age, de l'orientation sexuelle, d'une incapacite et d'autres facteurs lies au travail. La FTO a forme des comites permanents actifs et engages dont les membres sont nommes par les syndicats affilies. Ces comites se penchent collectivement sur toutes les questions concernant les droits des travailleurs.

Livello bibliografico	Monografia
Sommario/riassunto	Groundwater is an essential and vital water resource for drinking water production, agricultural irrigation, and industrial processes. Having a better understanding of physical and chemical processes in aquifers enables more reliable decisions and reduces investments concerning water management. This Special Issue on "Water Flow, Solute, and Heat Transfer, in Groundwater" of Water focuses on the recent advances in groundwater dynamics, and it includes high-quality papers that cover a wide range of issues on different aspects related to groundwater: protection from contamination, recharge, heat transfer, hydraulic parameters estimation, well hydraulics, microbial community, colloid transport, and mathematical models. This integrative volume aims to transfer knowledge to hydrologists, hydraulic engineers, and water resources planners, who are engaged in the sustainable development of

groundwater resources.
