Sommario/riassunto	Contemporary privatization remakes nature-society as property and transforms people's relationships to themselves, each other, and the natural world. This groundbreaking collection provides the first systematic analysis of neo-liberal privatization. Rich case studies of

privatization in the making reveal both the pivotal role that privatization plays in neoliberalism and new opportunities for challenging neo-liberal hegemony. Rich case studies linked to broader questions on neoliberalism illustrates the importance of property relation and the complexities existing in the meaning and
