Tolan -- Religious biography of the Prophet Muhammad in twenty-first-century Indonesia / Anna M. Gade -- Images of Muhammad in literature, art, and music / Amir Hussain -- Muhammad in the future / Abdulkader Tayob
Sommario/riassunto	As the Messenger of God, Muhammad stands at the heart of the Islamic religion, revered by Muslims throughout the world. The Cambridge Companion to Muhammad comprises a collection of essays by some of the most accomplished scholars in the field exploring the life and legacy of the Prophet. The book is divided into three sections, the first charting his biography and the milieu into which he was born, the revelation of the Qur'an, and his role within the early Muslim community. The second part assesses his legacy as a law-maker, philosopher, and politician and, finally, in the third part, chapters

examine how Muhammad has been remembered across history in biography, prose, poetry, and, most recently, in film and fiction. Essays are written to engage and inform students, teachers, and readers coming to the subject for the first time. They will come away with a deeper appreciation of the breadth of the Islamic tradition, of the centrality of the role of the Prophet in that tradition, and, indeed, of what it means to be a Muslim today.

2. Record Nr.	UNINA9910821287803321
Autore	Wilmschurst Linda
Titolo	Essentials of child and adolescent psychopathology / / Linda Wilmschurst
Pubbl/distr/stampa	Hoboken, New Jersey : , : Wiley, , 2015 2015
