

1. Record Nr.	UNISA996203107903316
Titolo	Journal of chemical neuroanatomy
Pubbl/distr/stampa	[England], : John Wiley and Sons
ISSN	1873-6300
Soggetti	Neuroanatomy Neurochemistry Neurochemistry - Periodicals Nervous System - anatomy & histology Neuroanatomie Neurochimie - Périodiques Neurochimie Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed Published: Amsterdam : Elsevier, <July 1996->
Sommario/riassunto	" ... is a vehicle for the publication of scientific reports relating the functional and biochemical aspects of the nervous system with its microanatomical organization. The scope of the journal concentrates on reports which combine microanatomical, biochemical, pharmacological and behavioural approaches."
