

1. Record Nr.	UNISA996203206303316
Titolo	Directory of graduate research
Pubbl/distr/stampa	[Washington, D.C.] : , : American Chemical Society
Descrizione fisica	1 online resource
Soggetti	Chemistry - Study and teaching (Graduate) - United States Chemistry - Study and teaching (Graduate) - Canada Dissertations, Academic - United States Dissertations, Academic - Canada Chemistry - Study and teaching (Graduate) Dissertations, Academic Onderzoek Chemie Chemistry Chemical Engineering Biochemistry Periodicals. Directories. Bibliography Bio-bibliography Biobibliography Canada United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Sommario/riassunto	The ACS directory of graduate research is the most comprehensive source of information on chemical research and researchers at universities in North America.
