Sommario/riassunto

A wide-ranging collection of articles on Greek poetry written by distinguished scholars from four continents. It honours the achievement of Martin West, and includes a full bibliography of his academic publications. - ;Martin West is widely recognized as one of the most significant classicists of all time. Over nearly half a century his publications have transformed our understanding of Greek poetry. This volume celebrates his achievement with twenty-five papers on different areas of the subject which he has illuminated, written by distinguished scholars from four continents. It also includes
