Altri autori (Persone)	StrossBrian
Disciplina	299.8/113
Soggetti	Indian cosmology Indians - Religion Indians - Rites and ceremonies Lightning - Religious aspects - Latin America Lightning - Latin America - Folklore Latin America Antiquities
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 223-247) and index.
Sommario/riassunto	Lightning has evoked a numinous response as well as powerful timeless references and symbols among ancient religions throughout the world. Thunder and lightning have also taken on various symbolic manifestations, some representing primary deities, as in the case of Zeus and Jupiter in the Greco/Roman tradition, and Thor in Norse myth. This book explores the symbolic elements surrounding lightning in their associated pre-Columbian religious ideologies.
