Wilde on the stage / Joel Kaplan -- ; [ch]. 15. Oscar Wilde : the resurgence of lying / Declan Kiberd.
Sommario/riassunto	The Cambridge Companion to Oscar Wilde offers an essential introduction to one of the theatre's most important and enigmatic writers. Although a general overview, the volume also offers some of the latest thinking on the dramatist and his impact on the twentieth century. Part One places Wilde's work within the cultural and historical context of his time and includes an opening essay by Wilde's grandson, Merlin Holland. Further chapters also examine Wilde and the Victorians

and his image as a Dandy. Part Two looks at Wilde's essential work as playwright and general writer, including his poetry, critiques, and fiction, and provides detailed analysis of such key works as *Salome* and *The Importance of Being Earnest* among others. The third group of essays examines the themes and factors which shaped Wilde's work and includes Wilde and his view of the Victorian woman, Wilde's sexual identities, and interpreting Wilde on stage. This 1997 volume also contains a detailed chronology of Wilde's work, a guide to further reading, and illustrations from important productions.
