Sommario/riassunto	"Asia & the Pacific Policy Studies (APPS) is the flagship journal of the Crawford School of Public Policy at The Australian National University. It is a peer-reviewed open access journal that targets research in policy studies in Australia, Asia and the Pacific, across a discipline focus that includes economics, political science, governance, development and the environment. The goal of the journal is to break down barriers across disciplines, and generate policy impact. Papers on a range of topics

that speak to various disciplines, the region, and policy-makers are encouraged."--
