Sommario/riassunto	Crisis Issue: The papers in this title have been written in response to the global financial and economic crisis that has been ongoing since Summer 2007. Top economists provide a concise and accessible evaluation of major developments in trade and trade policy. Economic Policy has earned a reputation around the world as the one publication that always identifies current and emerging policy topics early. Papers are specially commissioned from first-class economists and experts in the policy field. The editors are all based at top European economic institutions and eac
