Parallels and Models; 8. The Bible among Greeks and Romans; 9. The Septuagint between Jews and Christians; Bibliography; Index
Sommario/riassunto	The translation of the Hebrew Bible into Greek was the first major translation in Western culture. Its significance was far-reaching but largely forgotten. Without a Greek Bible, European history would have been entirely different - no Western Jewish diaspora and no Christianity. Translation and Survival is a radical new study of the ancient creators and receivers of the translations and of their impact. The Greek Bible sustained Jews who spoke Greek and made the survival of the first Jewish diaspora possible: indeed, the translators

invented the term 'diaspora'. The translations were a tool fo
