Sommario/riassunto	The African Development Bank's (AfDB) Addis Ababa Forum in June 2003 focused on the role of women entrepreneurs in private sector

development, poverty reduction, and sustainable growth and development. It provided an opportunity for the AfDB and the International Labour Office (ILO) to join forces using their complementary expertise in support of women-owned businesses in Tanzania, Ethiopia and Zambia. This report is based on the country assessment for Tanzania, where the ILO has been researching and supporting women's entrepreneurship. Examining such issues as the economic context, micro-fina
