The Construction of Identity and Sexuality in Relation to HIV/AIDS; Sexuality, Identity and Community; Reflections on the MESMAC Project; Discourses of Power and Empowerment in the Fight Against HIV/AIDS in Africa; Notes on Contributors; Index
Sommario/riassunto	Some 12 years into the epidemic, with an effective preventive vaccine or therapy against HIV disease still to be found, this book reflects on the contributions of social and behavioural research to the development of interventions for prevention. After over a decade's work documenting HIV and AIDS-related knowledge, attitudes and behaviour, social researchers have begun to focus more clearly on perceptions of sexual safety and risk, and the factors that contribute to these. The issues addressed by the book were examined during three major conferences in 1994: the annual conference of the Briti

2. Record Nr.	UNISALENTO991003943169707536
Autore	Buchheit, Gert
Titolo	Les désastres : 1943-1945 / Gert Buchheit
Pubbl/distr/stampa	Paris : J'ai lu, 1961
Descrizione fisica	373 p. . ill. ; 16 cm
Collana	Hitler chef de guerre ; 2 J'ai lu leur aventure ; 158/159
Altri autori (Persone)	Mordal, Jacques Delort, Robert
