Sommario/riassunto

The Blackwell Companion to Law and Society is an authoritative study of the relationship between law and social interaction. Thirty-two original essays by an international group of expert scholars examine a wide range of critical questions. Authors represent various theoretical, methodological, and political commitments, creating the first truly global overview of the field. Examines the relationship between law and social interactions in thirty-three original essay by international experts in the field. Reflects the world-wide significance of North American law
