

1. Record Nr.	UNISA996208490103316
Titolo	Ecology and evolution
Pubbl/distr/stampa	[Oxford], : Blackwell Pub. Ltd
ISSN	2045-7758
Descrizione fisica	1 online resource
Soggetti	Ecology Evolution Ecological and Environmental Phenomena Environment Periodical Fulltext Internet Resources. Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	A peer-reviewed journal for rapid dissemination of research in all areas of ecology, evolution and conservation science. The journal gives priority to quality research reports, theoretical or empirical, that develop our understanding of organisms and their diversity, interactions between them, and the natural environment.
