| Sommario/riassunto | Gastrointestinal Oncology: A Critical Multidisciplinary Team Approach is the first evidence-based reference text designed for the multidisciplinary team of medical professionals involved in the investigation, diagnosis, and management of patients with gastrointestinal cancer. Written and edited by leading international experts in the field it sets the standard in clinical practice for dealing with esophageal, gastric, intestinal, colonic, hepatobiliary, pancreatic, and other GI tumors. The book is divided into twenty-five clinical chapters each addressing the specific cancers affe |
