

1. Record Nr.	UNISA996208790503316
Titolo	2011 15th International Conference on Computer Supported Cooperative Work in Design
Pubbl/distr/stampa	[Place of publication not identified], : IEEE, 2011
ISBN	1-4577-0387-4
Descrizione fisica	1 online resource : illustrations
Disciplina	004.21
Soggetti	System design Teams in the workplace - Data processing Engineering design - Data processing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di contenuto	Keynotes -- Techniques, methods, and tools for CSCW in design -- Knowledge Management in Cooperative Design -- User Modelling and Evolutional Computing for Cooperative Design and Manufacturing -- Agents and Multi-Agent Systems for Cooperative Design -- Grids, Web services, Semantic Web, Cloud Computing for Cooperative Design -- Mobile Collaboration and Applications -- Collaborative Networks, Social Networks, and Applications -- Collaboration in Manufacturing, Services, and Businesses -- Distance Learning / Training Related to Design -- Practice and Experience with Collaborative Systems -- International Symposium on the Management of Industrial and Corporate Knowledge (ISMICK) Knowledge & Technology Transfers, Cooperation and Multicultural Problems -- Author Index.
