Nota di contenuto	The rule of law -- Certainty and doubt -- Intractable questions -- The limits of liberalism -- Feminist legal theory -- Feminist legal method -- False consciousness -- The future of legal feminism.
Sommario/riassunto	In the late 1970's, feminist scholars and activists joined together to build a movement aimed at bringing feminist theory and experiences to the practice and teaching of American law. Since then, the feminist jurisprudence movement has taken root, with courts and legislatures addressing matters of sex and gender inequality, and law schools employing feminist and post-feminist theory in the classroom. In this important book, Ann Scales, a founding contributor to the movement, reflects on the past, present, and future of feminist jurisprudence. Legal Feminism situates the feminist jurisprudence m
