Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Surgical Anatomy -- Anesthetic Considerations: Open versus Minimally Invasive Surgery -- Patient Positioning; Incision/Port Placement -- Pelvic Lymph Node Dissection for Prostate Cancer -- The Transperitoneal Robotic-Assisted Radical Prostatectomy -- Robotic-Assisted Radical Prostatectomy: A Surgical Guide to the Extraperitoneal Approach -- Open Radical Retropubic Prostatectomy -- Salvage Robotic-Assisted Laparoscopic Radical Prostatectomy -- Open Salvage Radical Prostatectomy for Recurrence of Prostate Cancer after Radiation Therapy -- Challenging Cases in Robotic Radical Prostatectomy -- Post-Operative Management-Erectile Function -- Postoperative Management and Preoperative Considerations – Urinary Incontinence and Anastomotic Stricture.
Sommario/riassunto	Radical Prostatectomy: Surgical Perspectives provides surgeons with a comprehensive overview of the anatomical approach to radical prostatectomy, whether done through an open (retropubic) or robotic-assisted laparoscopic approach. All chapters are structured to provide a step-by-step approach to the most technically demanding and most common oncologic procedure in urology surgery. The book includes highly practical presentations of typical surgical patients seen in the clinical practice of urology and relies heavily on illustrations and intraoperative photographs to clearly complement the text. In addition, the book includes a detailed description of the management of uncommon but potentially serious intraoperative complications, including major vascular injury, ureteral transaction, and rectotomy. Written by authors from a variety of integrated disciplines, including anesthesia, cardiology, and nursing Radical Prostatectomy: Surgical Perspectives is a unique and valuable resource in the field of urology both for those currently in training and for those already in surgical practices.

3. Record Nr.	UNISANNIOUBO2380611
Titolo	Le dinamiche assistenziali in Europa : sistemi nazionali e locali di contrasto alla povertà / a cura di Chiara Saraceno
