Sommario/riassunto	This anthology offers a fresh approach to the philosophical aspects of photography. The essays, written by contemporary philosophers in a thorough and engaging manner, explore the far-reaching ethical dimensions of photography as it is used today. A first-of-its-kind anthology exploring the link between the art of photography and the theoretical questions it raisesWritten in a thorough and engaging mannerEssayists are all contemporary philosophers who bring with

them an exceptional understanding of the broader metaphysical issues
pertaining to photographyTak
